

# *Shaftesbury and the Great War Community Project at Gold Hill Museum*

**Did your family tell you about life during the First World War?**

**What is their story?**

Gold Hill Museum is gathering information about people from Shaftesbury and the surrounding villages in Dorset and Wiltshire during the years 1914-1918.

If you have any memorabilia to show us or remember someone who lived through the First World War, at home or away, we would love to hear from you. We would especially like to hear about people who came from the Shaftesbury area.

Please fill in your details on the slip below and return to

Telephone ..... e-mail .....

I would be willing to share a story about the Great War

I have memorabilia that Gold Hill Museum can borrow, photograph or scan

I am interested in helping with the project as a volunteer
